

Dear APG Portuguese members,

We are pleased to invite you to **The 29th European HR Congress, titled “The Future is now – choose your recipe from around the Europe” which will take place on April 4 and 5, 2019 in Bled, Slovenia**, hosted by the European Association for People Management and Slovenian HR Association.

The EAPM Congress has very long tradition taking place every second year since 1963. Next year, we are expecting 500 HR leaders from business and public sector, particularly from Central and Eastern Europe, and more than 20 renowned speakers from around the globe, providing insights into the future trends and best international practices.

The main slogan of the Congress #LoveHR expresses conviction that HR professionals are playing an important role as holders of strategic function in any organisation, and as such the passion for their profession is essential. The coincidence may be that Slovenia is the only country in the world with love in its name, located in the heart of Europe. Lake Bled, where the congress will take place, has been a world-renowned paradise for centuries, impressing visitors with its natural beauty.

This year we are going to discuss the continuous evolution of the HR’s role by emerging digital technologies, agile work, cultural and organizational transformation.

What makes the 29th EAPM Congress, the must-attend HR event in 2019 for every HRlover?
