The screenshot shows the top navigation bar of the EAPM website. On the left is the EAPM logo, a red vertical bar with two white stylized human figures and the letters 'eapm' in white. To the right of the logo is a horizontal row of small national flags from various European countries. Further right, the text 'Member Area' is displayed next to a grey button labeled 'SIGN IN'. Below the navigation bar, the main content area is divided into two sections. The left section features the heading 'Welcome to EAPM' in bold black text, followed by a small portrait of Filippo Abramo, the President, and the text 'Filippo Abramo President' and 'Join the EAPM Blog'. The right section features the EAPM logo and the text 'EAPM connects' in a large, bold, black font. A faint map of Europe is visible in the background between the two sections.

European Association for People Management

The image shows the logo and tagline for the European Association for Practitioner Research on Improving Learning (EAPR). The logo consists of a green and white globe icon on the left, followed by the text 'eapril' in a green and white sans-serif font. A vertical line separates the logo from the tagline, which reads 'European Association for Practitioner Research on Improving Learning in education and professional practice' in a white sans-serif font.

Common projects

GREAT - Game-based learning Research for Education and Action Training

Project GREAT (projectgreat.org) development partnership had its kick-off meeting on November 10 and 11 in Bucarest, Romania. In this first meeting the partners took decisions on workflow program, methodologies for future and ongoing tasks, communication and management plan. Core products and results to be achieved are:

JAN 2009 - EUROPEAN PROJECT QUADULTRAINERS

With other partners, AIF has recently been involved in the European project "Towards a European Qualification Prototype for Adults Trainers" within the European Qualification Framework. ([Read more](#))

SEPT 2009 - INTERCULTURAL TRAINING

The Intercultural Learning-Cultural Competences Project, run by AEDIPE, has been approved as a Leonardo Project by the competent commission. The project aims at the "transfer, configuration and development of an intercultural competences model and a methodological guide for the actors (trainers/managers) involved in the Ethnic minorities / immigrants learning process" ([Read more](#))
